NOTES:						
(1) Application for development approval relates to proposed or new land uses and developments other than for: (i) a change of use, alteration or extension, continuation of non-conforming use; (ii) an extractive industry; (iii) retrospective development approval; (iv) an amendment to a development approval; or (v) a home-based business approval. (2) Regulatory fee* for development approval includes applications for signs and advertising devices. (3) Regulatory fees applying in application types 1 (a) to (f) are calculated based on the prescribed value contained in Part 7 - Local government planning charges of the Planning and Development Regulations 2009. (4) Nil GST is applicable to items 1 (a) to (f). (5) All application fees are calculated based on the estimated value of the development (i.e. reference Cordell commercial, industrial and housing building cost guide for WA). (6) Regulatory fees charged in items 1 (a) to (f) do not incorporate the costs of any public advertising or neighbouring landowner / occupant notifications, as may be required. (7) If the development has commenced or has been carried out without approval, an additional amount that is twice the amount of the maximum fee payable for determining the application may be charged by way of penalty in addition to the application fee. Making the total fee payable for an application for retrospective development approval being three times the base application fee cost.
